HIGH VOLUME OF INVENTORY ON HAND

As we are all navigating thru what's next with the Coronavirus pandemic effecting our country, doing business for all of us is difficult in this time of uncertainty. Please be assured, the Continental team has been brainstorming on ways we can ensure minimal disruption to our operations and our customers, all while keeping the health and safety of our employees and customers in mind.

To help with the many concerns you may at this time, especially with lead times, please keep in mind that Continental continues to keep a [high volume of inventory on hand for immediate delivery](#). This inventory is available for immediate shipment from Bensalem, PA as well as our other nationwide warehouses including, AZ, CA, FL, IN, IL, MI, MO and TX.

A Stock Report is posted on our Web site every Wednesday. However, it always subject to change, so please contact the factory to confirm the availability of inventory before placing an order. At times like these, it is important our customers know we have the capability to **DELIVER** upon request when you need it the most.

Thank you. Please stay safe and healthy.
