

WE ARE  
HERE FOR YOU

## EQUIPMENT IN STOCK & READY TO SHIP

Historically, foodservice is one of the most vital services of all. The team at Globe Food Equipment knows the importance of feeding people regardless of the crisis at hand.

We are a **SHIP NOW – SHIP DIRECT** company. When it means the difference between keeping your doors open or closing them, we help keep them open. When it means the difference between being able to serve a meal or not, our team is ready to get your order out the door and send it direct to your customer. It's one more way we make it easy to do business with Globe.

Shipping directly to your customers means fewer sets of hands on the product; reducing the risk of personal interactions and exposure.

Globe is here for you, now more than ever. Stay healthy, wash your hands, and choose Globe to be your partner – we'll get it done when it matters most.
